A robotic hand is holding a transparent tablet. On the tablet, there is a white outline map of Albania. Behind the map, there are some financial data visualizations, including a line graph and a bar chart. The background is a blurred blue and white pattern.

The target audiences for Match Maker Albania, focusing on Albanian Exporters and Real Estate & Tourism Developers, include:

1. Marketplace for Albanian Exporters:

- Local companies looking to extend their reach to international markets.
- Export-focused businesses seeking partnerships, distribution channels, or investment to expand globally.
- International and local Supermarket Chains.

2. Exhibition for Real Estate & Tourism Projects:

- Developers and investors exploring new opportunities in Albania's growing real estate and tourism sectors.
- Industry leaders seeking profitable ventures in property development, hotels, resorts, and other tourism-related projects.
- Businesses in the hospitality and tourism industries looking for collaborations and investment in Albania's expanding market.

These two groups come together to stimulate growth and innovation, driving Albania's export industry and enhancing its real estate and tourism sectors through partnerships and investment.
