Sponsorship Invitation

Three Seas Business Forum 2025 during the 10th Summit of the Three Seas Initiative

Dear Sir/Madam,

We are pleased to present the opportunity to join the elite group of sponsors for the Three Seas Business Forum, which will take place on **April 28-29, 2025 in Warsaw**, as an accompanying event to the 10th Anniversary Summit of the Three Seas Initiative. The Forum is one of the most significant and prestigious platforms for building relationships among business, political, and academic leaders in Central and Eastern Europe.

The event is under the Highest Honorary Patronage of the President of the Republic of Poland, Mr. Andrzej Duda.

This year's event will be held under the theme: **"Connecting for growth"**

About the Event:

The Three Seas Business Forum brings together representatives from the 13 countries of the Three Seas Initiative, including key policymakers, engineers, scientists, and business leaders from across the region. Key representatives from the business and political spheres of the Initiative's strategic partners, such as the United States, Germany, Japan, and the European Commission, will also be widely represented. This event, taking place in Warsaw, will offer a unique opportunity for cooperation and exchange of ideas among the brightest minds in Central Europe and global leaders.

The Forum will focus on the most crucial economic, infrastructure, and technological issues shaping the future of the region and its key role in the development of the European Union. This year's topics include:

- **Modern Transport Corridors in Central Europe** – a key factor for trade and integration.

- **Sustainable Energy** – an energy mix including nuclear power to achieve energy independence for Central Europe.
- **Digital Transformation in the Region** – smart management, data security, digital public services.
- **Resilience and Future Defence** – modernization of infrastructure and defence capabilities in the face of new geopolitical threats.
- **Space Exploration** – a source of technological development for Central Europe.

Each thematic session will be led by outstanding specialists in their fields, including leaders of global institutions, scientists, engineers, and industry experts. The discussion panels will also include representatives from major companies in the energy, transport, and digital technology sectors, as well as leaders in space and resilience technology. Representatives from many distinguished enterprises both within the Three Seas region and its strategic partners will also participate. Information on companies and speakers can be presented to you during our individual meetings.

Elite Group of Participants:

The *Three Seas Business Forum* will be attended by the presidents of the Three Seas countries as well as invited special guests, including leaders in business, government, and international organizations. The Forum offers a unique opportunity for direct contact with business elites, allowing your company to establish strategic partnerships and strengthen its position in Central European markets and beyond.

Various panels will feature world-class speakers who will share their experiences in geopolitics, infrastructure, economy, and the latest technologies. For your company, it is an opportunity to connect your brand with a historic event that shapes the future of the entire region and the European Union.

Benefits of Being a Sponsor:

We offer exclusive sponsorship categories, each providing unique exposure and engagement in this exceptional endeavour. Each sponsor will have the opportunity to:

- **Actively promote their brand** among political and business leaders from Central Europe and key partners from around the world.

- **Participate in thematic sessions** addressing key topics for the region's future, such as transport, energy, security, and modern technologies.
- **Gain broad media exposure**, both in Poland and internationally, through broadcasts and publications about the event.

Sponsorship packages offer different unique benefits, such as moderating discussion panels, exclusive seats in the VIP area, promotional articles, and access to dedicated, closed networking sessions with key industry leaders.

Why Become a Sponsor?

The *Three Seas Business Forum* is not just an event—it is a milestone in the development of Central Europe. Joining the ranks of sponsors means co-creating history, influencing key decisions, and developing strategic projects that will define the future of the region for years to come.

We would be happy to present and discuss the details of the offer with you, to create an individual proposal perfectly tailored to your business and promotional strategy. We are also open to jointly shaping panels of particular interest to your expertise.

To discuss in greater detail available packages and in case of any other questions, we are at your disposal via email and phone:
